## HELMo University College in the Walloon region

8200  
STUDENTS

5  
DEPARTMENTS

900  
STAFF  
MEMBERS

+40 BACHELOR,  
MASTER DEGREES AND  
SPECIALIZATIONS

1800  
GRADUATES A YEAR

11 INSTITUTES  
AND 3 CAMPUSES  
in Liège, Loncin, Huy,  
Theux and Verviers

## Studying at HELMo is...

Attending programmes of high quality, which allow students to **be creative and active** during their studies

Working closely with the **local community** and with a **very large network of organizations** willing to help its students meet the requirements of the job market

Having the possibility to participate to **double or triple degree programmes**

Benefiting from a **student based teaching methodology**: disciplines are practical and open to the labour market. The teaching methods used are lectures, discussions in small groups of students, placements, final assignment... In the Master degrees, the methods used are inductive: from case analysis to theoretical justification; an alternation of theory - practice, research missions with a strong link to industries and universities, optional course units and final assignment for students in the last study year

Attending **degree programmes open to the world**: HELMo has signed more than 100 bilateral agreements with institutions of Higher Education in Europe and around the world

Being in an institution which is a **member of thematic networks** (Businet, Comenius Association, EAIE, EASSW, ERACON, FESET, NIBS)

Being allowed to attend courses and lectures in **other institutions** of higher Education

**Doing internship abroad**

## Life at HELMO is...

Participating to **research and innovation projects**

Benefiting from **pedagogical tools and infrastructures, always improved**: new campuses, computer rooms, Wi-fi, e-learning

Being accompanied by a **students' department** and/or an **Educational and social assistance** (workshops, stress management, tutoring...)

**Joining** a students' association, parties, cultural events, sports association and **a lot of projects** in the different departments

Having support from an **international office** for all Erasmus exchanges, internships abroad, intercultural meetings, ...

Always **Lifelong learning**

# DESTINATION

## ••• LIEGE

Coming to HELMo is discovering a very rich and diversified region close to Germany, the Netherlands, France and Luxemburg. Liège has long been described as being one of three sisters, together with Aachen (in Germany) and Maastricht (in the Netherlands).

Studying in Liège is also discovering a city with a rich historical, cultural and industrial past. It is the largest city of the French-speaking community in Belgium and is the economic capital of the Walloon Region. Called "la Cité Ardente" with reference to the independent spirit of its inhabitants, Liège has a lot of museums and prestigious cultural institutions like the Orchestre Philharmonique Royal de Liège, The Opéra Royal de Wallonie or the new Theatre, the Reflektor for music concerts...

As a student town, Liège has an important social life and is crawling with pubs, cinemas, restaurants, sports centres, etc...

From being an old steel-manufacturing-based town, it has successfully undergone a transition into developing high-technology industries and services: with some significant development poles in sectors such as space, biotechnology, transport and logistics...

But the most significant point is that Liège is a warm open-minded town, thanks to its geographical position mixing French, Flemish, Dutch and German cultures.

# DESTINATION

## THE INTERNATIONAL RELATIONS OFFICE AT HELMO

The main international Relations office is managed by :

**Julie Guiot**  
(Head of the department)  
j.guiot@helmo.be

**Manon Habay**  
(incoming and outgoing students officer)  
m.habay@helmo.be  
+32 4 220 61 07

It works in close collaboration with the international coordinators from the different study programmes.

One of the most important aims of the international office is to increase the number of exchange students (outgoing and incoming).

Therefore, incoming students are very welcome to HELMO:

**Compulsory welcome days** at the beginning of each semester (in September and in January) – social, cultural, linguistic and integration activities are offered during these days. Students usually meet the international coordinator of the study programmes, they also have the opportunity to discover the department and to meet other Erasmus students. They have to attend a conference about the Belgian Culture and habits.

A **module called “Belgian Culture and Heritage”**: It gives incoming students the opportunity to visit Belgian towns, to taste traditional Belgian meals, to discover regional product makers. It can be included in the Learning agreement for 2 ECTS.

### French as a foreign language

As most of the study programmes are taught in French, we recommend students to have a very good level in French; in some departments, the B1 level is required.

Therefore, in order to help the incoming students improve it, HELMo offers a French course (5ECTS) during the autumn semester. And during the spring semester, HELMo has a partnership with ISLV - University of Liège (5 ECTS).

However, the business department offers a 30 ECTS programme in English ONLY during the autumn semester.

**Academic recognition:** HELMo adheres to the fundamental aims of the Bologna process, and to transcribe the records obtained abroad, HELMo uses the Egracons system (<http://egracons.eu/>).

**ESN Team** was set up to organize activities for incoming students, to help them during their stay in Liège;

### The ESN will:

- |  |  |
|--|--|
| Pick up students on arrival  | Help students find accommodation               |
| Advise about events at HELMo, in Liege or even in Belgium (concerts,...) | Organize sport, cultural and social activities |
| Do not hesitate to check our facebook page                               |  |

Further information can be found on <https://www.helmo.be/CMS/Profils/International/EN/Students-IN.aspx>.

# HEALTHCARE DEPARTMENT

## Introduction

### ••• A UNIVERSITY COLLEGE ON THE MOVE

The Healthcare department was created more than 80 years ago. Today it gathers more than 1,000 students and organizes 5 acknowledged trainings.

Students and teachers can enjoy modern learning techniques like:

- clinical competences lab : real hospital room including 4 beds allowing students to practice technical acts on dummies.
- virtual hospital: online workstation enabling students to test their clinical judgement from data including nursing files, medical files, lab results, ...
- clinical lab simulator: SimMon is a high fidelity dummy and is used by teachers to train students through various life-like situations as intensive care, births...

The Healthcare Department also offers, from the second year, internship sessions abroad in and outside Europe. These are supervised by the teacher in charge of the International relationships.

**Healthcare students at HELMo can choose among 5 different trainings:**

Bachelor in **medical laboratory technology**: 3-year-training including theories, practices and internships leading to work as a medical laboratory technologist with specialisation in clinical chemistry.

Bachelor in **psychomotility**: 3-year-training, in a joint degree with HEPL, University College partner in Liège; its goal is to stimulate and support the harmonious development of individuals in respect to the psychological and the mobility perspective. The students will learn body, gestural, sensitive, mobility and psychology techniques to help people gain in autonomy.

Bachelor **midwife**: 4-year-training allowing midwives to follow-up pregnancies, to practice eutocic childbirth, assist the gynecologist for dystocic childbirth, providing full care to the mother and the newborn baby, either inside or outside the hospital field.

Bachelor **nurses responsible for general care**: 4-year-training involving many clinical internship sessions, inside or outside the hospital field. The nurses provides quality care based on their clinical judgement and scientific research.

**1-year-training programme for bachelors in nursing:**

- Specialised master in **paediatrics and neonatology**: after the training programme, the students will have all the required skills to provide quality care to healthy, sick or disabled children in paediatrics units either inside or outside the hospital field.
- Specialised bachelor in **community health**: after the training programme, the students will have all the required skills to provide full care at the family and/or the community scale, aiming at health promotion and prevention for people of all ages.
- Specialised bachelor in **intensive care and emergency medical aid**: after the training programme, the students will have all the required skills to take care of a person in a critical situation, to ensure an intensive monitoring, act upon a life emergency.

# INCOMING STUDENTS

- The Healthcare Department offers internships inside and outside the hospital field, depending on the availabilities of our partners and your training goals.

## Internship session

Internships in hospitals are organised from August 15<sup>th</sup> until the end of the first week of July.

## Specialisations

- General care for adults
- Intensive care and Emergencies (for last year students only)
- Operating theatre and recovery room (for last year students only)
- Community health (medical house, help to refugees...)
- Home care

## Places of internships

The main partner hospitals are:

- Centre Hospitalier Universitaire (CHU) de Liège

- Centre Hospitalier de la Citadelle Liège (CHR)

- Centre Hospitalier Chrétien (CHC)

### How to apply to your Erasmus internship?

Fill in the application form ([www.helmo.be/CMS/Profils/International/EN/Students-IN.aspx](http://www.helmo.be/CMS/Profils/International/EN/Students-IN.aspx)), specifying the type of internship and the exact number of hours required by your school. The Internship Office will then get in touch with you to suggest an internship programme.

### Arrival in Belgium

You will be welcome at school by the International Relationships Officer according to the schedule set (at least 2 days before the beginning of the internship). Upon request and prior to the beginning of any internship, we can organise a visit of the internship place.

### Note

For more efficiency with the patients and the teams on site, the Healthcare Department expects you to be a level B1 in French, spoken and written, before you arrive in Belgium.

Your students are welcome to HELMo Healthcare department, we will do our very best to make sure they could have a successful exchange.

# PRACTICAL INFORMATION

## ACADEMIC CALENDAR

**Autumn**  
Welcome days

**Spring**  
Welcome days

## APPLICATION

### APPLICATION DEADLINES:

> 1<sup>ST</sup> JUNE FOR THE FALL SEMESTER

> 1<sup>ST</sup> DECEMBER FOR THE SPRING SEMESTER

The **nomination** (Name + last name + study field + study period) **must be sent** by the home university to the international departmental coordinator (see contact persons on the back cover).

After receiving the nomination, he/she will **send the Erasmus application form**. It has to be filled in and sent back to him/her.

An **acceptance letter** will be afterwards delivered (within three weeks).

HELMo **requires the Learning Agreement (LA)** before the beginning of the Erasmus stay. This has to be approved by the departmental coordinators in both institutions.

## OTHER INFORMATION

### 1. ID, PASSPORT, VISA

It is recommended to check the website of the Belgian Diplomacy: [www.diplomatie.be](http://www.diplomatie.be).

EU students need to have a valid ID or passport (check which one you need to travel to Belgium), and, depending on your nationality, home country and country of birth, a temporary stay permit.

NON EU Students need to contact the Belgian's embassy in their country, have to prove they have sufficient incomes for their stay in Belgium. They also need a copy of criminal record and a medical certificate.

### 2. HEALTH INSURANCE

EU students need the European health insurance card (the blue one) to be covered by the social security in Belgium.

Non EU students need to contact their home health insurance to check what kind of documents they need in Belgium in order to be covered by a social fund.

### 3. ACCOMMODATION

HELMo does not provide any accommodation of its own. However, the ESN will help Erasmus students find something suitable.

Accommodation for students in Liège is usually rooms or small flats in private houses (called « Kots ») with a private bathroom and a kitchen corner with furniture, or rooms in campus dormitories with shared bathroom and kitchen.

For further information, do not hesitate to check the following pages:  
<https://www.helmo.be/CMS/Profils/International/EN/Students-IN/Practical-information.aspx#doc>.

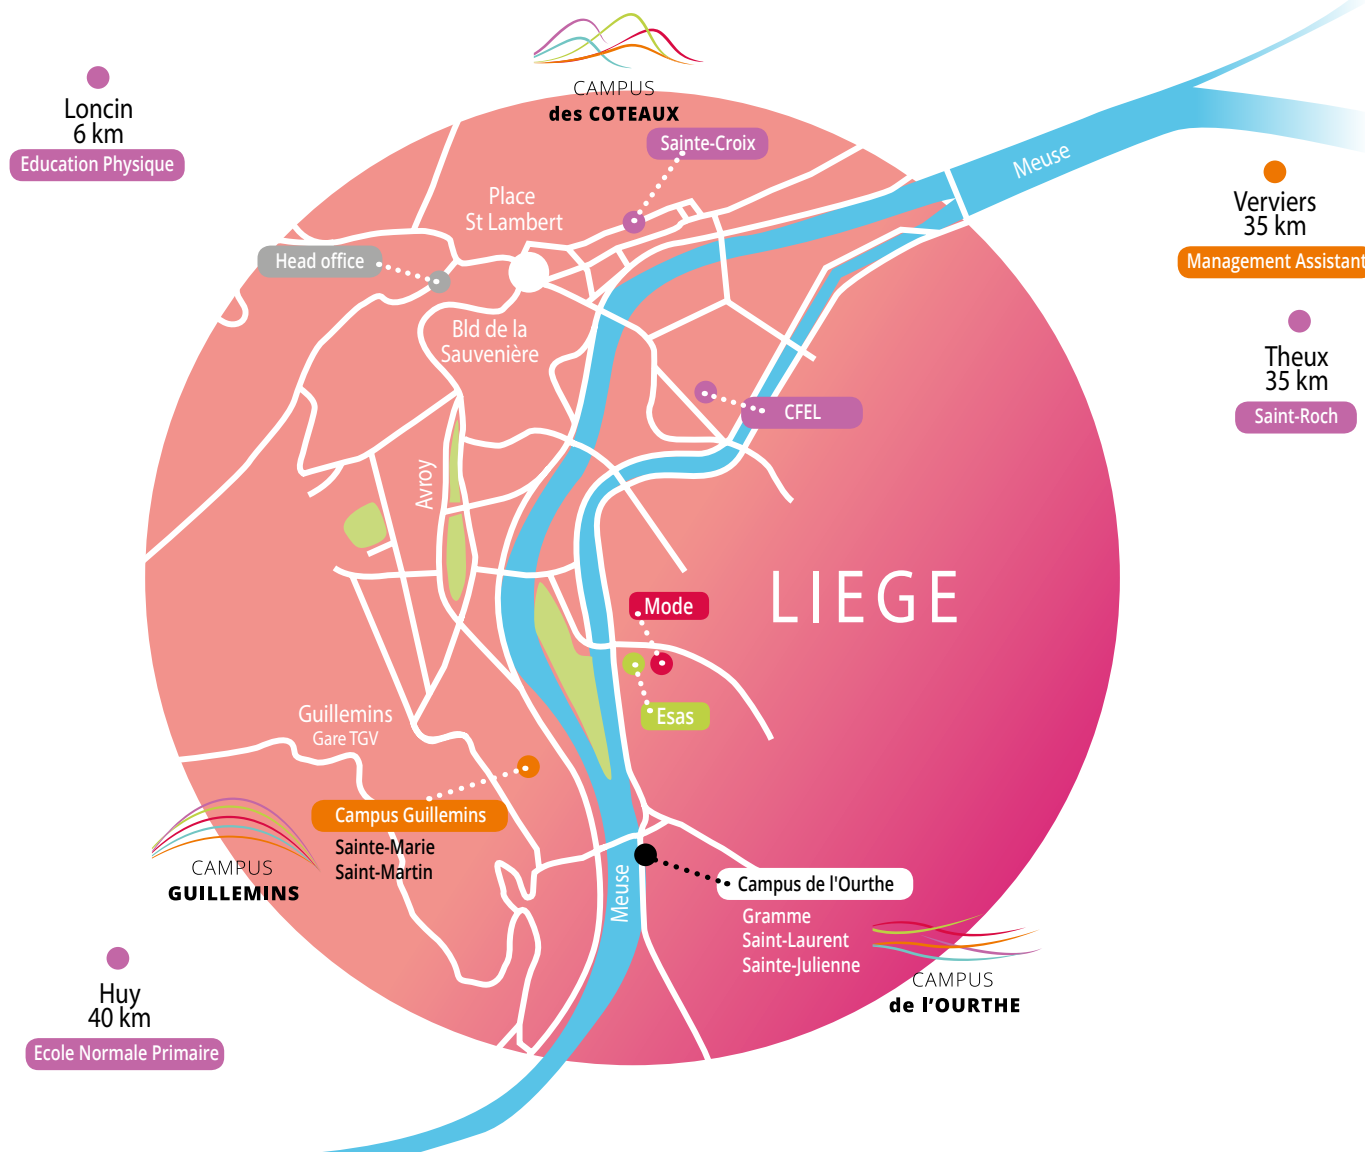

Students coming for an international week have to contact the organizer to find a weekly accommodation
